

ATONEMENT identifies SATAN

The world today dismisses the reality of Satan (Lucifer) as a literal supernatural being that is out to destroy mankind and this earth.

The Day of Atonement ([Holyday 5](#)) focuses everyone's attention onto Satan, revealing that he is a powerful enemy of mankind that can only be defeated by God's intervention and power.

We are helpless to defeat Satan.

We can never truly be at-one with God Our Father until Satan is removed from the earth.

The Day of Atonement shows just how real and evil Satan is, and who we must rely on to defeat him.

Satan is the center of attention on the Day of Atonement for good cause.

We must realize that Satan is the one who is responsible for all of the evil that exists in this world.

By fasting on the Day of Atonement, God wants nothing to distract us from the truth of what is occurring on this day. This day reveals just how evil Satan is, how helpless we are against him, how blinded we are by him so that we cannot even discern what the truth is, how we must put all the lies and evil he has planted into our minds back onto his head, and how that if that transfer doesn't happen that we can never be at-one with God.

On this Day of Atonement, our minds must be deprogrammed from Satan's lies and attitudes.

We must realize that relying on ourselves to determine good and evil is the very mistake that caused our original separation from God.

The casting of lots for the goats on the Day of Atonement is a ceremony that symbolizes our realization and acceptance that only God has the prerogative to determine good and evil, and that we are now willing to trust that God is truly helping us to become eternal beings just like Him, fully autonomous and powerful entities of love and truth.

This is why we must pay very close attention to the symbolism that is occurring on this day.

God knows it is hard to get our attention ([Isa 42:24-25](#)).

We need to fully understand the issues that are being addressed and resolved on this day, and that only God can accomplish these tasks.

We must finally and fully acknowledge the rights and responsibilities of the ARCHITECT of this REALITY CONSTRUCT, and consent to HIS Wish to make us beings in His own image and likeness ([Gen 1:26](#)) so we can enjoy the only Way of Life that can produce peace and happiness for ALL for an eternity.

We must understand that this ARCHITECT is a loving "Father" who simply wishes to have a Family to share His Life with forever ([1 Jn 3:1-2](#); [Eph 3:14-15](#); [Rev 21:1-7](#)).

On the Day of Atonement, the source of all evil is finally and fully identified by God.

All of that evil was born by Jesus on Passover.

Now, on the Day of Atonement, Jesus will finally put all of that evil back onto and into Satan's head. Satan will bear all of that evil forever. His mind will be filled with all of that hate, despair, guilt, loneliness, anxiety, and fear that has been experienced by all of mankind ever since the Garden of Eden incident.

We will finally accept that only God determines good and evil, and will fully consent to live His Way of Life as embodied by the Ten Commandments and Seven Holyday Statutes.

But that Way of Life cannot coexist with the attitudes and agendas of hate, fear and greed always being incited and broadcast continually by an unseen supernatural entity that is at war with God and mankind.

This is why that entity must be identified and exposed, and forever exiled from the presence of God and His Family.'

This crucial task and event is depicted by Holyday 5, the Day of Atonement,

ATONEMENT identifies SATAN as the source of all evil, and our very real enemy.

The removal of Satan and his lying ideas and constructs must occur so that we can finally be reunited and be at-one with Our Father when He and His Son both come

to live on this earth forever ([Rev 21:1-3](#))

On Passover, Jesus Christ had to absorb all of the evil that Satan had put into the minds and hearts of all mankind since the Garden of Eden so that Jesus could finally put it all back onto and into the head of Satan on the Day of Atonement.

This awesome transfer of evil back into Satan is what we need to understand.

All of the evil in our minds initially and ultimately comes from Satan ([Mt 16:23](#);[Jn 14:30](#)).

That is why God has dedicated a special Holyday to identify Satan and what he has done to mankind.

On the prophesied Day of Atonement, Satan will be completely exiled from our presence and consciousness so that we can be finally and fully at-one with Our Father, living in peace and happiness with Him and His Son on this earth forever.
