I-Robot

"My responses are limited... You must ask the right question"!

This movie, I-Robot, appears to contain a message, to those who are being called, to stop being dumbed-down "robots" of the system and to start asking the right questions about the Creator's Annual Holydays if you truly want to become a part of His "Pentecost Nation". The above phrase was used several times in the movie. The **responses are limited...** they are in the Holy Bible. We just need to **ask the right question!**

Below are the "right questions". If you understand the significance of each question, the answers in the Annual Holydays of Leviticus 23 will appear!

1. If the Messiah's death in **John 19** fulfilled the Passover (the **1st** Annual Holyday of Leviticus 23) and the events of **Acts 2** fulfilled the Feast of Pentecost (the **3rd** Annual Holyday), **what event between these 2 events fulfilled the "Last Day of Unleavened Bread" (the 2nd Annual Holyday)?**
2. Wouldn't the fulfillments of the 2nd and 3rd Annual Holydays be on the **same scale** of magnitude and impact as the other 5 Annual Holydays?
3. Wouldn't the fulfillments of the Annual Holydays occur in the **same sequence** that the types are revealed in Leviticus 23?

My intuition is that the Creator is using this movie to help us realize that we are being controlled and manipulated by outside evil forces. The only way we can break that trance is to start asking the right questions.

The most important questions you can ask are about the Annual Holydays of Leviticus 23. These Holydays reveal the Plan of the Creator, that unfold in **7 BIG events** that will impact the entire earth. The answers to these questions are on this web site.

Basically, everyone has made **the mistake of assuming that Pentecost was fulfilled in Acts 2**. It was NOT. Why? **Because NOTHING happened between Passover and Pentecost to FULFILL the 2nd Annual Holyday!** Wake up!!! That Holyday is the next BIG event to occur on Earth - the "Everlasting Sign" in the desert wilderness of southwestern North America (Isa 55.13; Ps 99.4)!
