

The BEACHHEAD of HOLYDAY 3

Satan is attempting to prevent God the Father from establishing a “BEACHHEAD” from which He will begin restoring His rule over this earth by His Son.

This BEACHHEAD is HOLYDAY 3.

On HOLYDAY 3 God will establish a Sanctuary in the Desert for those chosen to be trained as the “First Fruits”, a holy nation of priests who will help God prepare mankind for Christ’s return and to assist Christ during the Millennium to convince mankind that God’s Way is the only Way for everyone to live in peace and prosperity forever.

In the Millennium, 144,000 of these priests will personally mentor 144,000 descendants of the 12 Tribes to be examples of this Way to all other nations on earth and thereby prove that God's Way works.

So this BEACHHEAD is crucial for the success of God's Plan in the Millennium, to convince as many as possible to agree with this Way so that they can be given eternal life and be able to live that Way in eternity.

These 12 Tribes will become "gates" ([Rev 21:12](#)) for other nations to enter New Jerusalem because they will have the traits and experiences that others can identify with and are thereby able to convince them to live the Way that is required in eternity.

So establishing a BEACHHEAD for training these priests to become leaders and teachers in the Way is a VERY CRUCIAL STEP for the success of God's overall Holyday Plan.

This BEACHHEAD of HOLYDAY 3 is what mankind should be focused on right now, so that when it happens perhaps mankind will truly repent and stop the destruction of this earth and follow the example of this priest nation, the Pentecost Nation, to provide peace and prosperity for ALL on earth and preempt the need for a Great Tribulation.

Could this BEACHHEAD happen on the Jubilee of 2027, exactly 2000 years after Jesus declared the Jubilee in [Luke 4:18-19](#) in 27 AD?

It appears that Satan thinks so, given the current frantic campaign to eliminate all traditional values held by western Caucasian nations.

Is this because these people are the most likely candidates to join this BEACHHEAD, because they are the likely descendants of the 12 Tribes of Israel whose names are prophesied to be atop the 12 Gates to the New Jerusalem in the Millennium ([Rev 21:12](#))?

However, Satan also knows these candidates will be coming from ALL nations on earth, not just Caucasians ([Rev 5:9-10](#)).

Therefore, Satan knows that he really needs to eliminate most of mankind in order to stop this BEACHHEAD from succeeding.

Hence, there needs to be global depopulation propaganda campaign instituted by Satan and his useful idiot agents under the guise of saving the earth so that people will unwittingly cooperate with their own extermination. Nature has to become more important than people. Creation has to be worshiped rather than its Creator ([Rom 1:25](#)) in order to justify this global genocide.

However, Holyday 2 will dramatically debunk this pantheism propaganda when the Creator manifests His reality and creative power by miraculously transforming the desert into an oasis (Isa 55:13) that will become the headquarters for this BEACHHEAD. This miracle of creation is so stupendous that it even causes amazement and high praise among the angels in heaven ([Rev 4:11](#)).

There is nothing Satan can do to stop this Desert Miracle of Holyday 2.

That is why Satan is so obsessed with eliminating as much of mankind as he possibly can before 2027 so that there are no candidates left to go to this BEACHHEAD

oasis and sanctuary.

This means that Satan's depopulation and earth worship propaganda will dramatically increase in scope and intensity in these next 3 years.

We can expect millions and even billions to die from war, famine, and plagues... all engineered by Satan and his agents with very convincing lies and intimidation in his effort to stop this BEACHHEAD.

But God is laughing at Satan's attempts ([Ps 2:1-6](#)).

God clearly states that "I have installed My King upon Zion [the true church], My holy mountain [nation]".

This is what will happen when Holydays 2 and 3 are fulfilled, and nothing can stop these 2 BIG EVENTS of God's Plan for mankind ([Zech 2:7-11](#)).

God's BEACHHEAD of Holyday 3 will be established, and the holy nation of priests (Rev 5:9-10) will reign on earth to help mankind to survive the Great Tribulation and to help them prosper in the Holyday 6 Millennium and in the Holyday 7 Last Great Day judgment period by learning and following the Way of the Ten Commandments and Seven Holyday Statutes ([Zech 14:16-19](#); [Rev 22:14-15](#)).
