

The BLESSINGS

The BLESSINGS of national prosperity and power unconditionally promised to Abraham's descendants have now been fulfilled.

Since the rise of Great Britain and the United States, all Caucasians have been freely living off the inheritance from their great great grandfather Abraham without having to keep the 10 Commandments and 7 Holyday Statutes.

But now that period of unconditional blessing has surely ended as can be seen by the CURSINGS of [Deuteronomy 28:15-68](#) now being experienced by these Caucasians, and as prophesied in [Deuteronomy 30:1-3](#).

To continue these BLESSINGS, these Caucasian descendants must now honor [The TERMS](#) of the Mt Sinai [COVENANT](#) that they ratified over 3400 years ago.

This means that they must now begin keeping the 10 Commandments and 7 Holyday Statutes in spirit and truth, not for justification but for assimilation of the only Way of Life that can sustain happiness for ALL for an eternity. If one cannot live that Way during this temporary existence, how can one think that they will be happy living that Way for an eternity?

The BLESSINGS can continue.

We just need to begin keeping the 10 [Commandments](#) and 7 [Holyday Statutes](#) in spirit and truth!

We must demand all national leaders sign, publish and fulfill [The DECLARATION](#)!
