

The BREACH

How many Caucasians are ready and willing to repair The BREACH in the perpetual national **Social Compact** their ancestors ratified with God Almighty at Mt Sinai over 3400 years ago?

It is crucial to understand that this **national PERPETUAL COVENANT** won't be amended until AFTER Christ returns (Jer 30:27-34, 16:14-15; 23:7-8; Heb 8:10-13; Rev 7:14; Dan 7:25) so it remains binding upon all Caucasians to this day irrespective of their spiritual conversion status!

Note that the term "**Old** Covenant" is a PSYOP mantra diabolically designed to mislead God's chosen people into believing that the Mount Sinai social compact is "done away" and no longer in effect for the descendants of Jacob, the Caucasians, and that therefore they are no longer required to perform its terms, the Ten Commandments and Seven Holydays.
