

The Birthright

“**The Birthright**” is what the Creator granted to Abraham, Issac, Jacob, Joseph, and lastly to Joseph’s two sons, Ephraim and Manasseh, whose modern descendants are Britain and the United States. Read [“The Lost Tribes Israel Found” by Steven M. Collins](#) for comprehensive research on this heritage.

Besides “**The Birthright**“, the Creator also granted “**The Blessing**” to Joseph’s two sons as explained in [Genesis 48; 49-22-26](#), which detailed these two sons becoming a company of nations and a great nation that would be very wealthy and [possess the gates of their enemies](#), as explained on pages 163-164 of the book [“American and Britain in Prophecy”](#).

The suppression of this truth constitutes complicity in the crime of treason against the American people. However, the return of The Birthright has been prophesied in [Habakkuk 2:6-8](#), and so is the use of this wealth for the “Lord of the earth” in [Micah 4:13](#) to fulfill [His Holyday Plan](#). The plunder of His People will be returned by the “wave of His hand” says [Zech 2:7-11](#).
