**The Blessing-Cursing PARADIGM**

The Blessing-Cursing PARADIGM best explains what is going on today!

It is the MODEL, CONSTRUCT and FILTER that provides the historical timeline, sequence and framework needed to understand current events and to prepare for what is going to happen in the near future.

BOTH the BLESSING and then the CURSING were prophesied to happen to the descendants of the ancient Israelites (Deut 30:1-3), and in that order.

The BLESSING and the CURSING were the TERMS of the social compact that all of the tribes of Israel made with the Creator at Mt Sinai over 3400 years ago.

The BLESSING was an unconditional promise of wealth and power to these people because of the absolute faith Abraham had in the Creator in the matter of Isaac (Gen 22:1-18), and in keeping His commandments, statutes and laws (Gen 26:1-5).

See:

However, this BLESSING was DELAYED for seven times or 2520 years (Lev 26:18) because the ancient Israelites never did have this same faith in God, and never kept God's commandments, statutes and laws. Likewise, the CURSING was also DELAYED, because it was prophesied to be conferred AFTER the BLESSING was fulfilled.

Note: Israel went into captivity in 721 BC. Add 2520 years (7x360) then brings it to 1803 AD and the tremendous BLESSING of the Louisiana Purchase.

So, the dramatic rise of the promised "nation and company of nations" in the 1800's appears to mark the beginning of the bestowal of the promised BLESSING upon Jacob's two grandsons, Manasseh and Ephraim.

Great Britain and the United States appear to be the two nations that fulfill this prophecy.

Today we see the dramatic decline of these two nations, and we can suspect that this marks the end of the BLESSING and the beginning of the CURSING. The continuation of the BLESSING, after that promise to Abraham was kept, now became conditioned upon obedience to the Covenant, which still has never happened in these nations.

So, the CURSING has begun!

This would easily explain why so many problems are occurring simultaneously today in every aspect of society.

But this is not all bad news, because after both the BLESSING and the CURSING are fulfilled, all of these tribes will finally realize who they are and how badly they have treated God concerning the Mt Sinai Covenant (Ezek 36:22-32).

After both the BLESSING and CURSING occur, God will bring these 12 Tribes back to their original Promised Land and they will finally keep that Covenant in spirit and in the letter due to the indwelling Holy Spirit being given to them (Jer 31:31-33).

So using this Blessing-Cursing PARADIGM is the FILTER that enables us to SEE how history is following God's plan of salvation that requires that His Chosen Model Nation must learn the lesson that the only way to live God's way of life is through repentance and the indwelling Holy Spirit. Then they will be able to lead all other nations in learning that same lesson and thereby finally establish peace and prosperity for all on the entire earth. Their success in that MISSION is prophesied in Revelation 21:10-14 with the gates of New Jerusalem being named after these 12 Tribes, signifying that the only way to enter into God's Kingdom is through following their example.
