

The CRISIS of the FIRSTFRUITS is NOW!

QUESTION: Does the name "**COVID-19**" unwittingly convey a spiritual message that we should not be ignoring?

COV = COVENANT

ID = IDENTITY

19 = FAITH

Read [Malachi 4:4-6](#)

It is very significant that the very last verses of the Old Testament point to SOMETHING BIG happening BEFORE "the great and terrible day of the Lord" (Holyday 4).

A Messenger will be sent who will restore **FAITH** in the **COVENANT** and the **IDENTITY** of "all Israel".

This Message from this Messenger will be confirmed when [HOLYDAY 2](#), the "Desert Miracle", occurs "in Jacob" ([Ps 99.4](#)).

Has God orchestrated this time of crisis with the removal of all this world's commerce and entertainment in order to get our attention, so that we can hear this Message?

The **FIRST FRUITS** need **FAITH** to know **WHO THEY ARE**, what the **COVENANT** demands of them, and the **IDENTITY** of descendants of Jacob ([The CAUCASIANS](#)) so that they can gather in their land when its desert is miraculously transformed ([Isa 55:13](#))!

[Rev 5:9-10](#)

But WHY is The CRISIS happening NOW?

Notice it is happening just before PASSOVER and the Spring Holydays.

Is The CRISIS happening NOW because HOLYDAY 2 is going to be fulfilled THIS SPRING, on the Sabbath before PENTECOST?

Certainly, if Satan is suspecting this to happen THIS SPRING, he would definitely be ramping up his efforts to thwart this, especially to create such a worldwide crisis that it would completely shutdown international travel so that the FIRST FRUITS would not be able to gather to the place where HOLYDAY 2 is fulfilled in North America.

Since we know that [God's Plan](#) cannot be thwarted, we should therefore feel very confident that The CRISIS we are having now will surely be resolved.
