

## The MORAL HIGH GROUND

The MORAL HIGH GROUND that no one cites is the **MOUNT SINAI COVENANT**.

Yet it is the only SOCIAL COMPACT that can provide absolute justification for establishing and maintaining a RELIGION-BASED SOCIETY.

Only the MOUNT SINAI COVENANT can successfully rebut and debunk all claims of MORAL SUPERIORITY being promulgated by popular movements and causes of this world because **it is a VALID PRECEDENT CONTRACT whose obligations cannot be impaired by any law or opinion.**

And even though it was initially established with only one particular man, family and race, it will eventually be imposed and enforced upon ALL nations as stated in Zechariah 14:16-19, showing that it is a PERPETUAL UNIVERSAL CONTRACT.

Zechariah 14:16-19

This one race was NOT special or privileged. They were chosen as a consequence of Abraham's FAITH in God, and were **required** to be an example for ALL races to follow and to learn from in order to likewise have FAITH in God. The privileges of this example race were only granted in order to fulfill the duties and terms of the Covenant. However, despite this race's failure to fulfill its duties, this race still received these privileges and blessings of wealth and power because God's promise of blessings on his descendants was UNCONDITIONAL due to his obedience in the matter of Isaac. But once that promise is fulfilled, the continuance of these blessings becomes once again CONDITIONAL upon this race's fulfilling the duties and terms of the Covenant.

But this CONDITIONAL aspect also applies to ALL nations, then and now.

Notice that the Sabbath was made for MAN - not for just one race (Mk 2:27), and it will be kept by ALL of mankind in the future (Isa 66:23).

Therefore, by deduction, ALL races are, even today, essentially bound to keep all of the same TERMS of this CONTRACT too, as indicated by the Scriptures showing that all alien races dwelling with this example race were also obligated to keep the same TERMS (Num 15:14-16).

In fact, this same COVENANT will be renewed with this example race after Jesus Christ returns (Jer 31:31-33).

So, now, anyone and everyone can confidently and boldly cite the MOUNT SINAI COVENANT as the superseding MORAL HIGH GROUND that absolutely justifies BY CONTRACT all actions and beliefs that establish and support its RELIGION-BASED SOCIETY, even to the exclusion of all other opposing actions and beliefs.

**All people everywhere are now obliged to establish and defend the RELIGION-BASED SOCIETY established over 3400 years ago at Mount Sinai.**

This obligation is legitimate and is evidenced in the calls to repentance recorded in Revelation at the end of this world.

Rev 9:20,21; 16:9,11

Plausible deniability of this obligation can no longer be claimed by anyone in this world who has been notified hereby. Such are now fully liable to all of the prescribed penalties and plagues for violation thereof.
