

## The SIN SPECTRUM

SIN is a CONTIGUOUS SPECTRUM  
 Only Time and Degrees separates  
 the Least from the Worst sins

SIN is a CONTIGUOUS SPECTRUM of “Evil Frequencies”.

Only TIME and DEGREES separates minor infractions to major perversions.

The REPENTANCE needed at PASSOVER admits to committing the ENTIRE SPECTRUM of SIN.

### *Js 2:10*

*For whoever keeps the whole law and yet **stumbles in one point**, he has become **guilty of all**.*

Such a confession that admits to being guilty of the ENTIRE SIN SPECTRUM is considered one’s CHOICE to reject DEATH, in all its forms and degrees.

This LIFE and DEATH CHOICE is exactly what God requires from each of us. It is the same demand He made to the ancient Israelites when He delivered them from Egypt.

***Deut 30:19***

*“I call heaven and earth to witness against you today, that I have set before you **life and death**, the blessing and the curse. So **choose life** in order that you may live, you **and your descendants...**”*

Seeing SIN as a CONTIGUOUS SPECTRUM should make it easier for one to resist and reject sin in its initial minor stages, since we can see that it is directly linked to major perversions at the other end, and like being on a physical slide, one will automatically go down that direction once one gets on that “slippery slope”.

The PASSOVER is the First Day of the Feast of Unleavened Bread which last for seven days.

LEAVEN is a type for SIN.

We are commanded to remove ALL leaven from our homes for seven days to picture the complete removal of sin from our lives. Seven is the biblical number for completeness and spiritual perfection.

This ritual fits the analogy of the SIN SPECTRUM.

Just a little leaven will eventually and automatically leaven the entire lump of dough.

***1 Cor 5:6***

*Your boasting is not good. Do you not know that a **little leaven** leavens the **whole** lump of dough?*

So we see the same principle being explained here: Do not tolerate even the slightest sin from entering one’s mind, because **it begins a process** that will **automatically** lead to ETERNAL DEATH.

***Js 1:14-15***

*14 But each one is tempted when he is carried away and enticed by his own **lust**. 15*

*Then when lust has conceived, it gives birth to **sin**; and when sin is accomplished, it brings forth **death**.*

Paul explains how this process is unstoppable by one's own efforts. God must intervene to deliver each of us from this toxic downward spiral of sin.

**Rom 7:24-25**

*24 Wretched man that I am! **Who will set me free from the body of this death?** 25 **Thanks be to God through Jesus Christ our Lord!** So then, on the one hand I myself with my mind am serving the law of God, but on the other, with my flesh the law of sin.*

HOLYDAYS 1 and 2 are the **Divine Intervention Events** that God is providing to deliver His people, His FIRSTFRUITS, from this toxic SIN SPECTRUM today!

So let us focus on these two HOLYDAYS during this SPRING SEASON and rejoice that we are being miraculously delivered from this SIN SPECTRUM that otherwise would cause our ETERNAL DEATH.

AND let us **do our part** by focusing on rejecting even the Least SIN, knowing that it automatically is equatable to the Worst SIN in its eternal impact on our future!

REPENT this PASSOVER of committing the ENTIRE SIN SPECTRUM... for each one of us is truly "guilty of all"!

**Mt 5:48**

*"Therefore you are to **be perfect, as your heavenly Father is perfect.**"*
