

The TERMS

Now, it is very important that we realize that Deuteronomy 28 is a vital part of the GOOD NEWS (gospel) that must be declared by the messenger of Isa 41.27.

It is VERY GOOD NEWS because it shows that **we are still in control of The TERMS** that God enforces upon us per our agreement with Him at Mt. Sinai.

We can still CHOOSE to repent and obey the 10 Commandments and the 7 Annual Holyday Statutes which will automatically invoke the BLESSINGS promised by God.

We know this will happen because we can surely see the CURSES TODAY which are now coming upon us in America from our choosing to disobey the 10 Commandments and the 7 Annual Holydays!

Now, **what happens next in America** is a direct result of the conduct of the CAUCASIANS in relation to The TERMS of that Mt. Sinai agreement with God.

Such conduct will determine which narrative will prevail in the news: "WHITE SUPREMACY" (disobedience/CURSES) or "WHITE SERVICE" (obedience/BLESSINGS).

So it is important that everyone living in America and in all nations recognize and support **an effort to get all Caucasians everywhere to honor The TERMS** of their perpetual covenant with God in order to provide the "WHITE SERVICE" conduct of obedience that will bring the BLESSINGS promised by God to ALL nations by **following their example** of keeping the 10 Commandments and 7 Annual Holydays that teach His Way of Life and His Salvation PLAN for ALL nations on earth, including those who are now dead but who will live again as depicted by the last Holyday called "The Last Great Day".
