

The Visitation

Jesus wept over Jerusalem's blindness to Holyday 1 (Passover) that was happening in His generation then. Is Jesus, likewise, weeping over our blindness to Holyday 2 (Desert Miracle) in this generation now?

[Lk 19:41-44](#)

41 When He approached Jerusalem, He saw the city and **wept over it**, 42 saying, "**If you had known in this day**, even you, the things which make for peace! **But now they have been hidden from your eyes.**

43 "For the days will come upon you when your enemies will throw up a barricade against you, and surround you and hem you in on every side, 44 and they will level you to the ground and your children within you, and they will not leave in you one stone upon another, because * you did not **recognize the time of your visitation.**"

We need to awaken to the eternal significance of the time that we live in today.

The time of our visitation is about to happen.

Will we have the eyes to see it?

Jesus is just as concerned and “weeping” over our blindness today as He was during His time on earth then.

No one can see his own “blindspot”. You have to move your head to see what is missing in that special spot.

Today we must move our minds, namely “turn” (repent, change) our perspective in order to see what is happening right in front of our nose.

Your paradigm of reality, The Construct, must be “adjusted” so that it can admit new light, new truth, into your consciousness.

The saying that we “can’t see the forest for the trees” applies is this situation. One must understand and be keeping ALL of the Annual Holydays in order to “see” the eternal perspective of reality, and the time of visitation we are in today.

Jesus is weeping for us today, because many of us are going to miss out on becoming part of the Bride that will marry Him on Holyday 3 (Pentecost), because we will not have “seen” and recognized “The Visitation” (the fulfillment) of Holyday 2 in this current generation, nor **petitioned** for it as instructed in **Joel 2.15-17**.

P.S. Is Chaco Canyon (above image) a testimony of seeing the two signs (sun & moon), but yet not seeing the two Divine Harvests (seasons)? Search for “Chaco Canyon mystery” to see how much these people knew... And missed.

Notice how the two **signs** “governed” time on earth.

Gen 1:14-18

*14 Then God said, “Let there be **lights** in the expanse of the heavens to separate the day from the night, and let them be **for signs and for seasons** and for days and years; 15 and let them be for lights in the expanse of the heavens to give light on the earth”; and it was so. 16 God made the **two great lights**, the greater light to govern the day, and the lesser light to govern the night; He made the stars also. 17 God placed them in the expanse of the heavens to give light on the earth, 18 and **to govern the day and the night**, and to separate the light from the darkness; and God saw that it was good.*

Aren't we just as accountable today, as they were then, to understand the times we are in at **this present moment**?

Lk 12:56

*56 “**You hypocrites!** You know how to analyze the appearance of the earth and the sky, but **why do you not analyze this present time?**”*
