

# USA is EPHRAIM

From history and the scriptures we can see that only the Caucasian brother nations of Great Britain and USA exactly fit the description and timing of the promised “nation and company of nations” descended from Jacob.

Denial of this ancestry constitutes rebellion against the God of Abraham, Isaac and Jacob, and will eventually lead to national suicide per the agreed-upon Curses of the perpetual Social Compact Covenant ratified over 3400 years ago.

This Covenant provides the Moral High Ground for restoring and enforcing the original Mosaic/Christian cultural foundation of these nations.

5 "Behold, I am going to send you Elijah the prophet before the coming of the great and terrible day of the LORD. 6 He will restore the hearts of the fathers to their children and the hearts of the children to their fathers, so that I will not come and smite the land with a curse."
